

*The Missions Committee offers
Christmas Gift Market 2021
God's Love Story*

For God so loved the world he gave his only Son... John 3:16

The days go quickly by and once again we are reminded of God's everlasting love as Christmas returns. Christmas is **God's Love Story** telling us of the peace, joy and hope for the world that was sent to us in the birth of Jesus. With **Christmas Gift Market 2021**, The Missions Committee offers our congregation the opportunity to celebrate by sharing gifts of love with those in need around the world and in our community.

The organizations chosen for Christmas Gift Market 2021 are: **Westminster Free Clinic, Church World Service** and **Heifer Project International**. On the reverse of this letter you will find the **Christmas Gift Market 2021 Shopping List** offering health care services, gifts of food, comfort and support for learning and resources which help to provide the means of self-sufficiency for the disadvantaged in our world.

For each gift you choose you are able to select a gift card and an insert which describes the gift. This is a special way to share the celebration of **God's Love Story** with friends and family as you give the gift in their honor. There are three card designs to choose from which are pictured below.

You simply fill out the form, choosing your gifts, cards and inserts and send it to the church office with your check. You will also be able to make your donation online but if you do so you **must** still send in the Shopping List form so that your donation will go to your designated gift and organization.

Cards and inserts will be available for pick up on the church patio each Sunday in December, or at the Manna drop off on December 12th at 3 p.m., or by making special arrangements with the church office.

Let us tell **God's Love Story** to the world by our sharing of healing and hope to those in need this Christmas.

**Have a Blessed Christmas,
The Missions Committee of United Methodist Church Westlake Village**
